Founded in 1975 in **Limeira** in the country town of São Paulo. **Coperfil** has become a reference in the steel sector through its quality and credibility. With an **area of 25,000 meters of construction** maintain a complete infrastructure, with a industrial park that ensures agility and technology in the developed processes registered by **ISO 9001:2015/ IATF 16949**. **Coperfil** has a highly trained workforce to meet and surpass all the requirements and needs of the Brazilian market.

COPERFIL

Market of Operation

- Agricultural
- Automotive
- Banking Automation
- Construction
- Struturist
- Railroad
- Energy Generation
- Machinery And Equipment
- Highway
- Metalworking

COPERFIL

Processes

- Longitudinal Cut (Slitter) – Rollers
- Cross Section – Plates
- Cut Blanks
- Laser Cut
- Plasma Cutting
- Punching Machine
- Folding/Guillotine Cnc
- Roll Forming Line
- Solder
- Paint

Equipments

Longitudinal Cut

3 machines

Minimum thickness 0,40 mm

Maximum thickness 4,75 mm

Maximum width 1.600 mm

Cross Sections Blanks

5 machines

Minimum thickness 0,40 mm

Maximum thickness 10,00 mm

Minimum width 100 mm

Maximum width 2.100 mm

Folder CNC

13 machines

Capacity of 600 tons

Maximum lenght of 6 meters

Maximum thickness 16,00 mm

Equipments

Plasma Cutting

2 machines (400 HPR)

Maximum thickness 80,00 mm

Cutting table 3.000 x 13.000 mm

Solder

Laser Cut

2 machines

Maximum thickness 25,00 mm

Cutting table 1,500 x 3.000 mm

Mounting

Punching Machine

1 machine

Maximum thickness 6,30 mm

Paint

Certificado de Conformidade
Certificate of Conformity

ABNT NBR ISO 9001:2015

This is to certify that

Coperfil Indústria e Comércio de Perfilados Ltda.

Avenida Dr. Hipólito Pinto Ribeiro, nº 121 e 221
13486-317 – Limeira – SP

Avenida Dr. Hipólito Pinto Ribeiro, nº 529
13486-317 – Limeira – SP

Has implemented a quality management system which has been registered to the scope

Production and Sales of Steel Products and Metal Parts through Cutting, Bending and Welding Processes.
(Cutting and Bending Processes at Avenida Dr. Hipólito Pinto Ribeiro, 121 and 221, and Welding Process at Avenida Dr. Hipólito Pinto Ribeiro, 529)

Certification Number: 065-0098

In accordance with Standard: **ABNT NBR ISO 9001:2015**

Validity of Certificate: 05/03/2024

São Paulo, 05 March, 2021.
